: Jointly Administered

**OBJECTION OF RELATIONAL TECHNOLOGY SOLUTIONS  
TO DEBTORS' NOTICE OF (I) INTENT TO ASSUME AND ASSIGN  
CERTAIN EXECUTORY CONTRACTS AND UNEXPIRED LEASES OF  
PERSONAL PROPERTY, AND (II) CURE AMOUNTS RELATED THERETO**

Relational, LLC, f/k/a Relational Funding Corporation, and d/b/a Relational Technology Solutions ("RTS"), a creditor and party in interest herein, by and through its undersigned attorneys, hereby Objects to the Debtors' Notice dated June 5, 2009, of (I) Debtors' Intent to Assume and Assign Certain Executory Contracts and Unexpired Leases of Personal Property, and (ii) Cure Amounts related thereto, and respectfully states as follows:

1. Prior to the commencement of these jointly administered bankruptcy cases, RTS entered into several Master Lease Agreements and related Schedules with General Motors Corp.

(“GMC” or “Debtors”) with respect to the lease of various computer equipment, including servers, work stations, laptops and related accessories (collectively, the “Equipment Leases”).

2. The Equipment leases can be broken down into three categories: (1) leases between GMC and RTS whereby GMC is billed by and pays RTS directly (the “Direct RTS Leases”); (2) leases between GMC and RTS whereby GMC is billed through and RTS is paid through an electronic billing and payment service managed by EDS (the “RTS/EDS Leases”); and (3) leases originally entered into between GMC and Pacific Rim Capital that were assigned to RTS and whereby GMC is billed through and RTS is paid through a trust established by Pacific Rim Capital (the “RTS/Pac Rim Leases”).

3. RTS received a Notice from the Debtors of their intent to assume and assign the Direct RTS Leases, and the proposed cure amounts for the Direct RTS Leases. RTS does not necessarily object to the proposed assumption and assignment of the Direct/RTS Lease. RTS does, however, object to the proposed cure amounts for these Leases. Debtors assert through its website that the cure amounts for the Direct RTS Leases is \$87,453.25. RTS asserts that the correct cure amount (as of May 31, 2009) for all Schedules under the Direct RTS Leases is \$1,483,239.08. A schedule of the amounts which RTS contends to be the correct cure amounts for the Direct RTS Leases is annexed hereto as Exhibit A.

4. RTS has not received any notice from Debtors with respect to the RTS/EDS Leases or the RTS/Pac Rim Leases. Thus, RTS hereby objects to any proposed assumption and assignment of the RTS/EDS Leases and the RTS/Pac Rim Leases without proper notice of such assumption and assignment, including notice of the proposed cure amounts to be paid for these Leases. Also annexed hereto as Exhibit A are schedules of what RTS contends to be the correct

cure amounts (as of May 31, 2009) for all Schedules under the RTS/EDS Leases (\$2,519,796.91) and the RTS/Pac Rim Leases (\$764,452.85). The total combined cure amount for all of the RTS Equipment Leases is thus \$4,767,488.84.

5. Absent an agreement or order directing the payment to RTS of the correct past-due amounts (both pre- and post-petition) owed under all of the Equipment Leases, RTS hereby objects to the proposed assumption and assignment of the Equipment Leases. RTS contends that the Debtors are not allowed to “cherry-pick” individual schedules or pieces of equipment for assumption and assignment. Rather, each of the Master Equipment Leases and attendant Schedules which comprise the Direct RTS Leases, the RTS/EDS Leases and the RTS/Pac Rim Leases must be assumed and assigned as whole, integrated packages, *cum onere*.

6. Accordingly, RTS hereby reserves all of its rights, claims and objections to the proposed assumption and assignment of any of the Equipment Leases, including, without limitation: (i) the right to adequate notice identifying with reasonable specificity all of the Equipment Leases that are proposed to be assumed and assigned; and (ii) the right to insist that all past-due monetary defaults (both pre- and post-petition) under such Equipment Leases will be immediately cured, or adequate assurances will be provided that they will be promptly cured.

**WHEREFORE**, RTS respectfully requests that the Court enter an Order denying the Debtors' request to assume and assign the Equipment Leases absent the satisfaction of the various objections of RTS set forth above, together with such other and further relief in favor of RTS as the Court deems just and proper.
